

An elderly couple is standing on a wooden porch. The woman, on the left, has short, curly white hair and is wearing a white t-shirt under a maroon jacket. She is smiling and leaning against a wooden railing. The man, on the right, has short grey hair and glasses, and is wearing a bright pink t-shirt and blue denim overalls. He is leaning in and kissing the woman on the cheek. The background shows a white wooden building and some trees with autumn foliage.

A photograph of a woman and a young man sitting together in a grassy field during the "golden hour" of sunset. The woman, on the left, is wearing a dark blazer over a patterned top and has her arm around the man. The man, on the right, is wearing a bright blue t-shirt and khaki pants. They are both smiling at the camera. In the background, there is a line of trees and some buildings under a warm, orange-hued sky.

2025 Strategic Direction

Our Vision: A Hunger-Free America

Our mission: To feed America's hungry through a nationwide network of member food banks and engage our country in the fight to end hunger

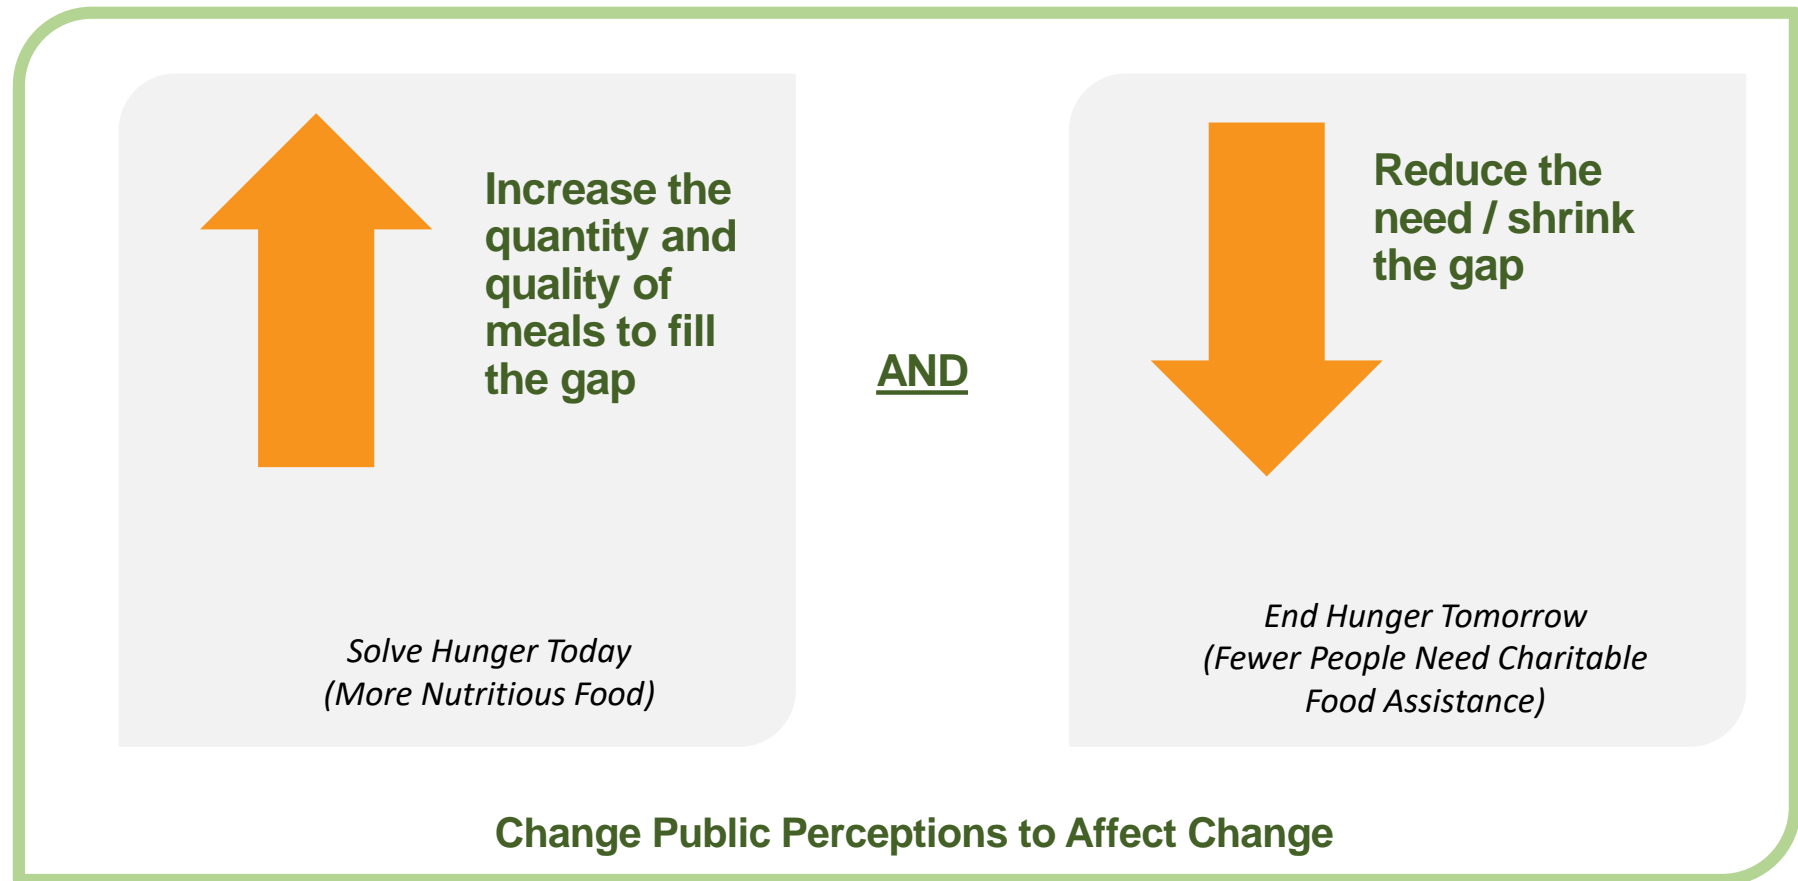

Our Goal

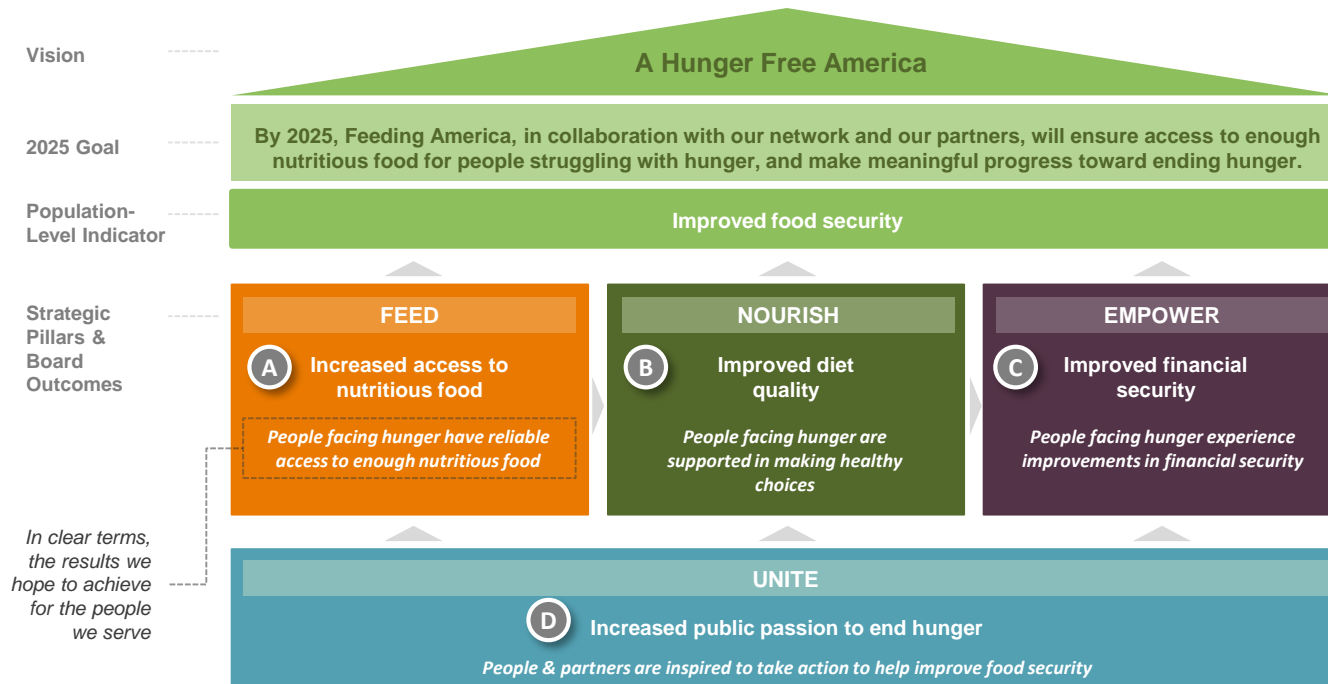

By 2025, Feeding America, in collaboration with our network and our partners, will ensure access to enough nutritious food for people struggling with hunger and make meaningful progress toward ending hunger.

What's required to make real progress toward our vision of a hunger free America?

2025 Strategy: Driving Outcomes that Contribute to Food Security
